COMMUNITY MOVIE NIGHT

A Night to Remember!

SATURDAY, OCTOBER 10, 2026

THANK YOU, PICKWICK SQUARE NEIGHBORS!

What a wonderful evening of fun, fellowship, and community togetherness!

Our Community Movie Night featuring The Wild Robot brought neighbors and families together for laughter, refreshments, and lasting memories. It was especially wonderful seeing our children enjoying themselves and neighbors connecting. Thank you to everyone who attended and helped make the evening possible!

WE WANT TO HEAR FROM YOU!

Have an idea for our next community event? We welcome your suggestions!

Share your ideas with the Management Office and help us bring neighbors together.

Building a stronger community, one event at a time!
